GO.DIGITAL

What is GO DIGITAL?

Every year we host our annual flagship event, GO DIGITAL, designed to be a catalyst for learning, sharing, and innovation. GO DIGITAL is a space for collaboration through workshops, seminars, and networking opportunities that encourage the exchange of ideas and inspire continuous learning. GO DIGITAL further serves as a cornerstone to nurture a vibrant community, and to empower and engage users in embracing digital transformation to achieve safety within the aviation.

Product news
Web Manuals is constantly improving its product. Get insights into our development plans and check out our new features, improved services, and news enhancing your experience.

Knowledge
GO DIGITAL is where your ideas for future development come to life. Your feedback and ideas are directly applied to our system through the popular innovation workshop.

Networking
The GO DIGITAL conference is all about the Web Manuals community. We create activities to engage and boost collaborations across the aviation fellowship, encouraging mingling, networking, and overall enjoyment of the conference. We can't wait to meet you again.
